Subject: ALS License

Good afternoon,

I am very pleased to announce that Sumter County Fire & EMS has been awarded an Advanced Life Support License from the State of Florida Department of Health, Bureau of Emergency Medical Services. I received our license this afternoon and will have the new ALS sticker on E-31 by the end of the day. As we finalize our available medics we will look to add additional licensed vehicles. As you all know this is a significant step for our organization and is reflective of the hard work and energy that each of you pour into this community on a daily basis. Thank you and congratulations.

Stephen J. Kennedy, M.P.A
